Print this guide at 100% on A4 paper to visualise different watch case sizes on your wrist.

For Women, a standard watch case measures 26–29MM and mini watches are typically 23–25MM in diameter.

As for Men, the average watch is 37–39MM in diameter, while a sport watch measures 40–42MM, and over-sized watches measure 45MM and up.
